DETAILED ACTION

1. An after final response filed by applicants dated June 16, 2005 together with the Declaration by Dr. Witschel have been considered carefully. Claims 13 and 25 have been canceled. Claims 1-12, 14-24 are pending.

2. *Examiner's Amendment*

Authorization for this examiner's amendment was given in a telephone interview with Jason D. Voight on July 7, 2005.

Claims 1, 2, 3, 4, 5, 10, 14, 15-17, 22 24, the term "derivative" has been changed to
--compound--;

Claims 1, 2, 14, the term "...it being possible for the last....radical to be partially.....and/or to carry one to two....." has been replaced with the term
---.....the last....radicals *may* be partially.....and/or *may* carry one to two.....--;

Claims 5, 14, the term "possible is" has been replaced with --*may be*--.

The above editorial changes are made to keep the claims language consistent through all the claims and to obviate any 112 second paragraph issues.

3. *Reason for Allowance*

The following is an examiner's statement of reasons for allowance:

Applicants have submitted Declaration under 37 CFR 1.132 that the particular substituents when compared with analogous compounds *consistently* lead to an increased herbicidal activity in particular at lower application rates is unexpected. Claims 1-12, 14-24 limited to the unexpected scope for the substituents are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
